

# Grow your Wealth with Property – Risk & Hassle Free

## Alternative Investment Properties in the UK

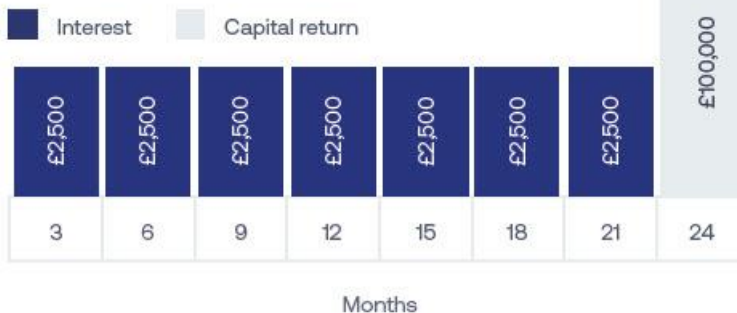

### CAPITAL PROTECTED

This is a secured two-year property loan note with high yield for qualified investors. In place is a corporate guarantee supported by a Debenture over the assets of the Company. For as little as **\$ 20 000** you can share the success along with one of the leading home builders, building sustainable rural and coastal homes throughout the south west where demand remains at a level substantially higher than supply available. Take advantage of new ways to diversify into the UK property market with this family-owned business of 18 years.

#### 2 year income\*

10% per annum fixed rate loan notes with simple interest payments paid in arrears quarterly.

#### 2 year deferred\*

12% per annum fixed rate loan notes with simple interest to accrue annually and payable on the redemption date.

It's never been easier to know you will be yielding a fixed high return on a brick-and-mortar investment. It's investing your wealth into property with a short-term game plan. Long term is always an option by a simple roll over of your funds on maturity into another one. Flexibility and appetite to risk free investments is our no 1 priority. We bring you hassle free, 100% managed investment property in the highest economic growth areas
